

Campaign to Protect
Rural England

Why Support Local Food?

Are you interested in promoting local food in Shrewsbury?

Do you want to meet the people who produce and sell your local food?

Would you like to understand the challenges facing the local food system and help to support it?

An exciting new project is set to work with local people to research the benefits local food producers, suppliers and retailers bring to Shrewsbury and its residents.

www.makinglocalfoodwork.co.uk

If you would like more info, or would like to be involved but can't make the meeting, please contact:
